

Martek Power joins the United Nations Global Compact

Montrottier – July 2011 – Martek Power, a world leader in the power conversion industry, is pleased to announce it has joined the United Nations Global Compact.

The UN Global Compact asks companies to embrace, support and enact, within their sphere of influence, a set of core values in the areas of Human rights, labour standards, the environment and anti-corruption based on ten universally accepted principles:

Human Rights

- Principle 1: Businesses should support and respect the protection of internationally proclaimed human rights; and
- Principle 2: make sure that they are not complicit in human rights abuses.

Labour

- Principle 3: Businesses should uphold the freedom of association and the effective recognition of the right to collective bargaining;
- Principle 4: the elimination of all forms of forced and compulsory labour;
- Principle 5: the effective abolition of child labour; and
- Principle 6: the elimination of discrimination in respect of employment and occupation.

Environment

- Principle 7: Businesses should support a precautionary approach to environmental challenges;

- Principle 8: undertake initiatives to promote greater environmental responsibility; and
- Principle 9: encourage the development and diffusion of environmentally friendly technologies.

Anti-Corruption

- Principle 10: Businesses should work against corruption in all its forms, including extortion and bribery.
